## EXPERIENCE

### TechTogether Seattle

JANUARY 2021-REACT

For the TechTogether Seattle competition, my team and I developed an app prototype which purpose is to help visually impaired people code. At the event, we won 3 categories, one was the Best Social Activism Hack.

### Beautiful Patterns

JANUARY 2021-PYTHON

I participate in MIT's Beautiful Patterns program as a facilitator. The program lasted a week and consisted of teaching girls between 15 and 17 years to program in Python.

### Servicio Social en Rutopía

AUGUST 2020-NOVEMBER 2020-REACT

For a semester I helped develop the Rutopía website. During all my service I worked on the frontend part.

### GEEB APP

2020-NOW -REACT

I am currently working on the development of a web page whose objective is to allow people to connect with others to create new projects.
